

2012 NCA Yearbook

Dear Senior Parents:

Congratulations ~ this is your child's senior year! With the many activities you will be busy with this year, the yearbook staff would like to make things as simple as possible. A yearbook will be reserved for all seniors unless you specify otherwise. The full color yearbooks will cost \$43.

If you would like to order an advertisement to celebrate your child's graduation, please click on the link below. Choose a size and style for your advertisement as well as a payment option.

Payments for the advertisements are due no later than May 4, 2012. Payments can be staggered to fit into your budget or you may pay for everything at one time.

The yearbook staff is here to help you make your senior's yearbook the best it can be. If you need help with your advertising, please do not hesitate to ask. Templates are available to help you design the layout of your senior's page. You may print out the order form and deliver it to school or you may email your order directly to yweaver@neusechristianacademy.com.

If you submit your materials on a CD, please label the disk with your name. Electronic submissions of photos, art, and text can be sent to yweaver@neusechristianacademy.com. You will receive a proof of your advertisement for your approval before it is sent to the publisher. **All materials for your advertisement must be in no later than January 30, 2012.** Proofs cannot be guaranteed if materials are received after January 30, 2012.

Thank you for your support of our school and the yearbook department. I hope this will be a great year for both you and your graduating senior. WE ARE NEUSE!!
