Happy New Year!

Volume 3, Issue 5

From the Administrator's Desk...

We find ourselves again at the beginning of a new year, and we may find ourselves wondering how the past year could have flown so rapidly. How have we fulfilled our responsibilities in the past year? Was God pleased with our service for Him? As we face the year before us, let's all strive to put God first.

National Honor Society

Neuse Christian Academy is a duly chartered and affiliated chapter of the National Honor Society. There is both a high school chapter for grades 10-12 and a junior high chapter for grades 7-9. Only those students who have attended NCA the equivalent of one semester may be considered for membership.

Membership is open to those students who meet the required standards in four areas of evaluation: scholarship, leadership, service, and character. Standards for selections are established by the national office of NHS. For the scholarship criterion, a student must have a cumulative GPA of 3.5 or better on a 4.0 scale. Those students who meet this criterion are invited to complete a Student Activity Information Form that provides the Faculty Council (consisting of 5 members) with information regarding the candidate's leadership and service. To evaluate a candidate's character, the Faculty Council reviews the disciplinary records. These forms are carefully reviewed by the Faculty Council to determine membership. A majority vote of the Council is necessary for selection.

Candidates are notified regarding selection or non-selection. Following notification, a formal induction ceremony is held at the school to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance in all four criteria that led to their selection.

Middle School News

Congratulations to those who did not receive any choice points first semester. Their reward was an afternoon of fun at Raleighwood. In preparation for high school, the eighth graders no longer need to have their agenda initialed each day. However, they do need to daily write the homework for each class in the agenda. As we begin a new semester, let's all work together to make it a great one!
